I _____ (print full name) understand that yoga includes physical movements, as well as an opportunity for relaxation and relief of muscular discomfort and tension. As in the case of most physical activity, the risk of injury, serious or disabling, is always present and cannot be entirely eliminated. Awareness is fundamental to the practice of yoga. I am aware that it is my responsibility to inform the teacher as soon as I feel my safety or well-being is compromised in anyway. By choosing to participate in these programs, I voluntarily assume responsibility of injury.

Yoga is not a substitute for medical attention, examination, diagnosis, or treatment. Yoga is not recommended and is not safe under certain medical conditions. I affirm that I alone am responsible to decide whether to practice yoga. I understand that it is my responsibility to consult with a physician prior to and regarding my participation in Yoga. I hereby agree to irrevocably release and waive any claims that I have now or hereafter may have against *company name* or *your name*.

I agree that *company name* and *your name* shall not be liable for any claim, demand, cause of action of any kind whatsoever for, or on account of personal injury, property damage or loss of any kind resulting from or related to my use of the facilities or participation in any group activity or personal session. I affirm that I have read and understand the above statements and voluntarily agree to the terms and conditions stated above.
